Vacation Exchange: the Basics

Here's what you do: Sign in to intervalworld.com or the Interval International To Go app and search by destination, or resort and travel date. If the week you want is available, you'll receive an instant confirmation. If not, choose one of the exchange methods below. Prefer to speak with a vacation advisor? Call 800-INTERVAL.

Not sure which exchange method is right for you? Here's a quick look.

Deposit First

Who it's for: Weeks-based members who are sure they do not want to go to their home resort this year and instead want a different kind of vacation experience in a new destination, or at a different time of year.

Advantage: The earlier you deposit, the greater your trading power and the longer your travel window.

Request First

Who it's for: All points-based members; weeks-based members who want to retain their home resort until a request is confirmed.

Advantage: You can place an exchange request up to two years before your home resort week, and if you don't receive a confirmation, you can still travel to your home resort.

Even More Benefits of Exchange

Deposit extensions — If you can't travel before your deposit expires, extend it by six or 12 months.*

E-Plus — Change destinations, resorts, or travel dates up to three times for a low, one-time fee. Purchase E-Plus® when you place your exchange request, up until 14 days after receiving your confirmation.

Guest Certificates* — You can give the perfect gift to friends and family — your week! Interval Platinum members get up to five free Guest Certificates per membership year.

* A fee applies.

I'm very happy exchanging with Interval. We have done so much traveling that we would not have if we didn't have our home resort to exchange.

Flexexchange

You'll use Flexexchange® if you request a vacation exchange from 59 days to 24 hours before check-in. Visit intervalworld.com for a sampling of available destinations.

Trade Secrets: Getting the Exchange You Want

You're new to Interval and exchange. Naturally, you've got questions. And we have answers.

Why is depositing my week so important?

It's all about five words: travel window and trading power. Deposit your home resort week as early as 24 months in advance to extend your travel window. That's flexibility.

Yes, but what about that trading power?

Look at it as a competitive advantage. An early deposit has more trading power than a deposit made closer to check-in. And your trading power is locked in when you deposit. That's powerful.

Is it enough to deposit?

No. Once you've deposited and you know where you want to go, either confirm an exchange or place a request.

Any request tips?

Yes. Think less about a specific destination and more about the kind of vacation you want. Looking for something tropical? Choose several Caribbean islands rather than just one. And request the smallest-size unit that will accommodate you and your traveling party.

I own at a points-based club. Do I need to deposit?

Maybe. Some points-based members can use Deposit First. Check with your home resort to see if this option is available to you.

Anything else I should know?

Exchanging is not like booking a hotel room. New resort weeks are added to our system regularly, so the week you want may become available at any time. Just request and sit back while we do the searching for you.

Getaways

Getaways provide spacious resort accommodations of seven nights or fewer at prices often less than what you'd pay for a few nights at a hotel. They are the perfect solution for when you just want to get away without exchanging your week or your points.

Top Reasons To Book a Getaway

Room for everyone — Want some extra elbow room? Getaway resort units come in a variety of sizes, from studios comfortable for a couple's escape, to multibedroom accommodations offering space for the entire family.

They fit your schedule — Purchase a Getaway for a few nights or enjoy a full week — it's up to you.

See the world — Getaways are available in popular destinations around the globe, at member resorts and properties outside our network. They're the perfect opportunity to sample something new.

The price is right — Getaways come with our Best Price Guarantee. If you find the same unit size and resort for a lower price elsewhere, we'll refund the difference.**

Receive — \$25 Off

Getaways purchased during your first year of Interval membership.*

Interval Gold and Interval Platinum members get an additional \$25 and \$50 off Getaways, respectively.*

* Minimum four-night stay required.
** For Best Price Guarantee, find a lower price for the stay you booked with Interval, and Interval will refund the difference. The lower price must be found within 24 hours of booking your Getaway, for the same unit size and resort, for the same time period reserved. For complete terms and conditions of the program, go to intervalworld.com.

Fun Fact

You can receive Getaway Alerts (for seven-night Getaways) — notifications that let you know when your Getaway becomes available — with the Interval International To Go app. Visit intervalworld.com to download the free app from the Apple App Store or Google Play.
